

2019 BANK OF AMERICA SHAMROCK SHUFFLE COURSE FLYERING

Overview

Course flyering is part of the Bank of America Shamrock Shuffle Community Outreach Program. Cars and vehicles on the 8K run course and adjoining streets are notified of street closures and traffic restrictions. This notice allows residents and non-residents to either make alternate plans or come out and support the event on March 24, 2019. Course flyering supplements the work done by local officials to inform residents of the event as well as a street closure notifications and mailings to all affected neighborhoods.

Details

Date: Sunday, March 17, 2019

Contact: Dave Waskowski, CEM, 312.446.3746

What to Bring

- Comfortable shoes
- Weather-appropriate clothing
- Backpack
- Fully-charged cell phone

Volunteer Instructions

1. Zone Teams will gather at their designated check-in location to receive high-visibility reflective safety gear, flyers and instructions.
2. Using the provided maps, Zone Teams will place a flyer on the windshield of each vehicle, on both sides of the street, on all streets designated in their zone. Be prepared to explain what you are doing should you be asked by any residents or passers-by.
3. Each Zone Team can determine the most efficient method; we suggest pairs or groups of three, dividing up within zones.
4. Each team member must wear a high-visibility reflective safety vest **at all times** and no **individual should flyer alone**.
5. Log any construction projects, large potholes, metal street plates or other street issues, including the exact address and a photo. Instructions for logging this to a Slack channel will be provided.
6. Have fun! Take photos and use the hashtag #ShamrockShuffle when sharing!
7. Upon completing your zone, you must return high-visibility reflective safety gear and flyers and sign out with your Zone Captain.
