

**Bank of America Chicago Marathon**  
**Volunteer safety information**

**Please review the following safety information in advance of your role for the Bank of America Chicago Marathon.**

- Personal preparedness & safety:
  - Maintain awareness of your surroundings at all times.
  - Identify evacuation routes and shelter locations near your work location.
  - Report suspicious activity and unattended packages. Do not open, touch or move any suspicious items. Notify proper authorities to investigate.
  - Monitor weather and dress accordingly for your role and location.
  - Listen for communications regarding Event Alert System (EAS) status changes based on event conditions.
  - Review the Hands Only CPR video: [cemevent.com/hands-only-cpr](http://cemevent.com/hands-only-cpr)
